NOTES

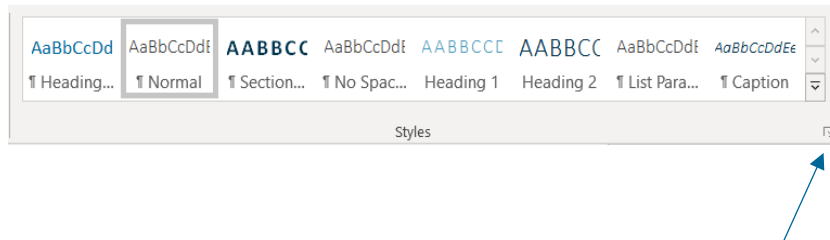

MAIN SECTION HEADING – IMPORTANT! USE HEADING 1 STYLE TO PRESERVE DOCUMENT NAVIGATION

DELETE THIS PAGE AFTER USE.

Regular body text. To replicate this section header, swipe to select and copy. Go to the section of your document where you want to begin a new section. Choose Insert > Page Break. Choose paste. If desired, you may then delete the page break to flow your document to this new section without a page break.

SUBHEADING – IMPORTANT! USE HEADING 2 STYLE TO PRESERVE DOCUMENT NAVIGATION

Regular body text – select Normal style to preserve document formatting styles. If changes do not update, first select Clear All from styles pallet, then reapply Normal Style. To access full styles pallet, go to Home > click corner dropdown arrow in Styles pallet.

This is the default text box style. To use: choose Insert > Text Box > Draw Text Box > click and drag area to draw text box.

FIGURES & TABLES

FIGURES & TABLES

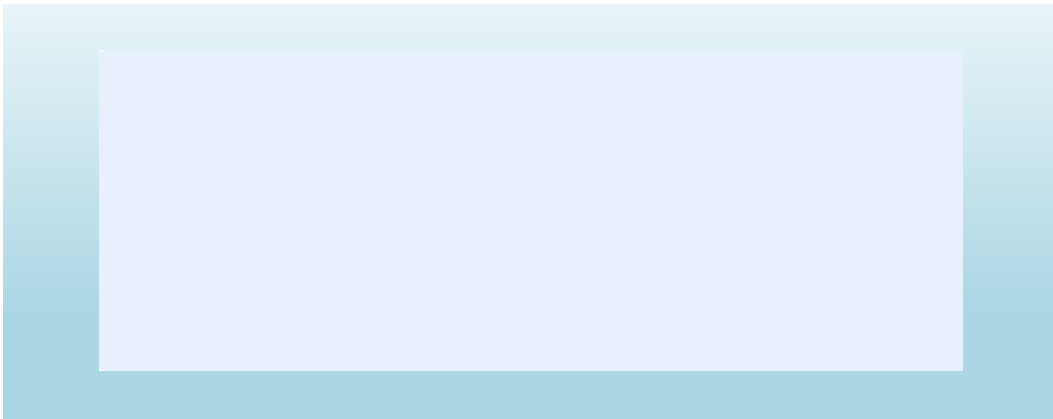

Various pre-formatted figures and labels below. The gradient background image insertion object is recommended for any images such as table screenshots which are not formatted in the same style as the overall document.

DELETE THIS SECTION AFTER USE.

FIGURE LABELS & IMAGE PLACEHOLDERS

Swipe, copy, and paste the Figure labels and placeholders to use elsewhere in the document. Or simply use Heading 3 to style Figure and Table labels and insert images as needed.

Figure #. Description of Figure (style: Heading 3)

Red → blue → white gradient indicates decreasing frequency counts

Figure #. Description of Figure (style: Heading 3)

Figure caption if needed. (style: Caption)
